

**Do you have FOOT PAIN  
and/or LEG PAIN caused by  
DIABETES?**

If you are 18-75 years of age, have diabetes mellitus (type 1 or 2), and have had pain in your legs or feet for at least 6 months, you may qualify for a research study conducted by Clinical Trials of Texas, Inc. Qualified participants may receive investigational study medication, study-related medical exams, and lab tests at no charge. Financial compensation for time and travel may also be available.
